

### How Can I Help?

Visit our site regularly for updates, information and awareness.

Contribute your ideas for keeping the town tidy

Attend our events

Submit your initiatives

Coordinate a project

Know your town and report black spots

You can show your environmental awareness by using the recycling facilities available in Mullingar, promote and attend environmentally friendly Activities, use the train/bus to go to work, join a car pooling system, walk or cycle to school or to work, use paper bags, buy local produce, plant an organic gardens, putting through bin requests to Westmeath County Council, clean up graffiti, plant flowers, give a contribution, take care of an abandoned property, invest in a common amenity, etc.
